MESSAGE DE LA PRESIDENTE D'HONNEUR

Le réchauffement climatique, thème majeur de l'actualité, provoque des désastres environnementaux qui frappent très durement les plus démunis, et parmi eux tant d'enfants. Cependant, l'inquiétude face au devenir de notre planète fait désormais réagir et se mobiliser de plus en plus de citoyens aux quatre coins du Monde : ainsi, une jeune fille du nom de Greta Thunberg s'est illustrée par son cri d'alarme face à la destruction progressive de l'environnement.

Cette jeune fille a le privilège d'aller à l'école et bénéficie de l'accès à l'éducation, contrairement à tant d'autres enfants. Le respect de l'environnement est aussi une question d'éducation, qui permet aux futurs adultes d'acquérir des connaissances afin d'apporter leur contribution positive en faveur de la sauvegarde de la planète.

Le CFNU croit que tous les enfants de ce monde devraient avoir accès à l'éducation, et c'est dans ce sens que nous unissons nos efforts, et collectons des fonds destinés à l'aide à l'enfance défavorisée, qui n'a pas ou peu accès à l'éducation.

Les dons sont utilisés afin de soutenir de nombreuses institutions éducatives à travers les cinq continents. Les filles

et les jeunes femmes bénéficient d'une attention particulière, car elles sont les plus vulnérables. Les projets en faveur d'enfants en situation d'handicap sont également soutenus.

Le Bazar annuel organisé par le CFNU est un évènement majeur très populaire, auquel de nombreuses Nations participent chaque année. Cette manifestation génère des recettes exclusivement dévolues aux dons, grâce à la vente de produits d'artisanat local et d'offres culinaires internationales, ainsi que par la vente de billets de loterie, dotée de 200 lots prestigieux.

Je vous invite donc à vous joindre à notre effort, en acquérant des articles destinés à vos cadeaux de Noël et à profiter de cette journée qui, grâce à votre aimable participation, contribuera de manière significative à l'accès à l'éducation des enfants défavorisés.

Je vous en remercie infiniment d'avance et vous souhaite une belle journée festive.

MESSAGE BY THE BAZAAR CHAIRWOMAN 2019

Children should be able to dream because they are the future of any nation. According to the world bank, 385 million children around the world live in poverty. As we know poverty can lead to mental and physical damage. The only way to reduce the damage and save children is by supporting them whenever one can. The United Nations Women Guild is a great organization that for years worked and is still working to ensure supporting children in need around the globe.

I am so honored this year to be part of the Bazaar 2019 Committee and to share this great experience with wonderful ladies who passionately volunteer their time unconditionally and experience to ensure financing all the projects they receive. The bazaar is one of the biggest events that takes place in the United Nations and a lot of countries get the opportunity to show their culture. The revenue of the bazaar along the selling of lottery tickets contributes significantly to improving the lives of vulnerable children around the world.

I would like to take this opportunity to thank all the United Nations Office in Geneva, headed by Mrs. Tatiana Valovaya for its continuous support all over the years, the amazing women of UNWG, the donors that without their donations many things wouldn't have happened and all the missions who are the reason behind the success of the Bazaar.

It is through initiatives taken by the United Nations Women Guild that some children will be guaranteed hope and a better future.

Give hope to the children, support Bazaar 2019

THE NEW SPIRIT OF AFRICA

A STAR ALLIANCE MEMBER 

MESSAGE BY THE UNWG PRESIDENT

The Bazaar is an important annual event of the United Nations Women's Guild (UNWG). It is a key event to UNWG as it helps mobilize funds to lend support to projects aimed at changing the lives of underprivileged children in different parts of the world.

Every year, members of the Guild and our partners collaborate closely to make the bazaar a success and maintain its importance in the calendar of "Genève Internationale".

Firstly, I would like to thank the United Nations Office in Geneva (UNOG), for allowing UNWG to hold the bazaar at the UNOG premises, despite the challenges with the ongoing renovation work. The backing we get from UNOG is always remarkable.

I would also like to thank the authorities of the City of Geneva, the World Trade Organization (WTO) and all the sponsors who continued to support us in organizing our bazaar.

The Permanent Missions of Member States of the United Nations in Geneva with their

amazing stands, are highly appreciated for their participation. They make the bazaar colourful and festive with their traditional costumes, music and national dishes. I thank them for their devotion and participation.

Importantly, I would like to thank Members of the Guild who work tirelessly in different teams to make the bazaar successful. I thank all parties for the effort they put in to make a difference in the lives of disadvantaged children.

Finally, I invite all to enjoy the bazaar and make their contribution to this worthy cause.

Thank you.

And finally, on a personal note, only the joy of working with so many wonderful people could have drawn me back to serve as Lottery Chairwoman for each of the last fifteen years. A heartfelt thank you to the UNWG volunteers who helped make the 2019 Lottery possible.

Your generosity with your time and devotion over the past years – all in preparation for this one day- is why the International Annual Bazaar is one of the premier/foremost charitable events in Geneva.

MESSAGE DE LA VICE-PRESIDENTE ACTIVITES

Voilà près d'un demi-siècle que le Cercle Féminin des Nations Unies (CFNU) est engagé en faveur de l'éducation, de la réduction des inégalités et de la lutte contre la pauvreté. Voilà près d'un demi-siècle que nos volontaires contribuent annuellement à l'amélioration de la vie de milliers de femmes et d'enfants de par le monde, à travers le financement de projets et de bourses d'études en leur faveur.

Le Bazar international annuel du CFNU est à cet égard un événement majeur, une manifestation qui incarne la diversité des cultures et des civilisations, un partenariat fécond au service de la solidarité et du développement. Près de 80 pays y participent et partagent avec le grand public la richesse de leur culture et de leur patrimoine. Les revenus qu'il génère nous permettent de contribuer à faire bouger les lignes de l'analphabétisme et de l'extrême pauvreté dans les pays en développement, et notamment dans les pays les moins avancés. Ces revenus nous permettent de participer, modestement mais sûrement, à la réalisation sur le terrain, d'une façon concrète, utile et visible, d'un certain nombre des Objectifs de développement durable arrêtés par la communauté internationale dans le cadre de l'Agenda 2030 des Nations Unies.

C'est pour moi un privilège de contribuer à la réalisation d'un si noble projet. Et c'est un honneur de pouvoir le faire aux côtés de femmes si compétentes, si généreuses. Je voudrais remercier du fond du cœur toutes celles et tous ceux qui participent d'une manière ou d'une autre à la tenue et au succès de cette manifestation. Je pense notamment à nos partenaires de l'Office des Nations Unies à Genève, aux membres des missions permanentes, aux volontaires qui animent nos diverses activités.

Je vous invite donc à vous joindre au Bazar international du CFNU édition 2019, pour un voyage autour du globe, à travers les cultures et délices culinaires des pays participants.

Bon voyage !

Niloufar Rafi-Kian Bouabid

MESSAGE BY THE VICE-PRESIDENT PROJECTS

An important commitment of the United Nations Women's Guild (UNWG) is to express its solidarity with children and young women who live in more difficult circumstances in different parts of the world. Thus, in 2019, the UNWG touched the lives of over 15,000 underprivileged children and young women in 31 countries, by supporting small educational, health or safety projects.

Financing these projects is possible through the combined fund-raising efforts of UNWG members, and generous donations from UNWG partners. The Bazaar is by far the most significant expression of this collaboration and we wish to thank very warmly the Permanent Missions and the many other donors who contribute to the success of this yearly event.

UNWG also accompanies children in their education by providing scholarships for their secondary schooling. Funds for this scholarship programme are raised by schoolchildren in Geneva and Vaud participating in the yearly Children's Walk.

In 2019, 99 children benefitted from this support in 6 countries.

UNWG CHILDREN'S WALK 2019

Never more than now, has the importance of education for all children of the world been recognized. The first teacher of any child is his or her mother. So what better way to help the mothers of the poorer world who are anxious to educate their children than for the mothers and children in Geneva to get together to extend this aid. This is completely in keeping with the spirit and the founding philosophy of the Guild. The Walk takes place in the Palais grounds.

This year, we had 681 children participate in the walk from 9 different schools. It was a beautiful sunny day and the children made it a joyous event. Every school and every child can be justly proud of their efforts and contribution to a worthy cause. A chapeau to them! Since the Walk was started in 2002, the funds raised have helped 467 children from 21 countries to complete their school education. The Walk also helps instill in the children of Geneva a sense of understanding that there are children like them who do not have the same advantages that they have, to instill a sense of sharing, a sense of giving and is most of all a lesson in humanity and social justice. In addition, the children get to know the UN and a glimpse of what it does.

The Guild wishes to thank all the schools and the children, the teachers and the parents of the children for participating in this event. The schools that participated this year are British School of Geneva, Collège du Léman, International School of Geneva from La Châtaigneraie, Nations and

Pregny campuses, Deux Mille Feuilles Ecole Montessori (La Rippe), Institut International de Lancy, Swedish International School of Geneva and Ecole Chantemerle (Blonay).

The Guild thanks the United Nations Office in Geneva, particularly the Security, the Technical Services and other administrative services for their extraordinary help. Our special thanks to the Director General for her wholehearted support.

The Guild also wishes to thank the donors and Raji Sundaram for her outstanding leadership of the Walk team. The Walk most of all wishes to thank the Guild members who volunteered (and continue to volunteer) to do the different tasks. There were 100 volunteers this year, who gave their time freely and happily. Thank you ladies once again.
