Présentation du CFNU

Presenting the UNWG

The United Women's Guild describes the origin of the UNWG as follows:" The Women's Guild originated in Geneva, Switzerland in the early 1930s, during the era of the League of Nations. A few women whose husbands were associated with the League of Nations banded together to help children in need. They knitted warm garments and layettes for children who were suffering from ravages of war. The work continued during Second World War.

In 1945 when the United Nations was created and many families were transferred from Geneva to the new home for the organization in Lake Success, New York, a group of women met informally and decided to continue this charitable work thus establishing the United Nations Women's Guild in March 1948. The Guild expanded. Over the years some 40 chapters were organized overseas in countries where the United Nations and its Agencies had offices"

In the autumn of 1970 a small group of women, most of whom had been active members of the UNWG in New York, held a series of meetings to consider the possibility of founding a similar group again in Geneva.

As a result of their discussion a meeting of about 50 women was held on 9 December 1970 in the American Community House at which the suggested statutes and by-laws, based mainly on those of the New York Guild, were approved. The first Executive Committee was elected.

Since then the Guild has changed locations. In 1975 the UN allocated an office for our use, first in the Palais itself, then in the annex at Petit Saconnex and later in 1987 at the Villa Les Feuillantines.

ILO provided us during several years with the Recreation Room for our Coffee mornings, monthly meetings, Annual General Assemblies, gym classes and Bridge afternoons.

In 1996 the Guild has been recognized as part of the clubs and associations open to international officers and their families by the Social and Cultural Committee of the Co-ordination Council of the UN.

According to the Statutes the Guild has three fields of action:

- 1) The activities of general and cultural interest
- 2) the fund-raising activities held in order to help needy children around the world
- 3) the work accomplished by the Special Advisor on the Status of UN spouses, Pensions, the one on Employment and the one done by the Public Relations Chairwoman.

Message by the Honorary President

Message de la Présidente honoraire

Le Fonds des Nations Unies pour l'enfance (UNICEF) estime à 2.2 milliards le nombre d'enfants dans le monde, dont 600 millions sont victimes de la pauvreté. L'UNICEF relève que si rien n'est sérieusement entrepris à l'horizon de 2030, 167 millions d'enfants vivront dans l'extrême pauvreté, 69 millions d'enfants de moins de 5 ans décèderont et 60 millions d'enfants en âge de fréquenter l'école primaire ne seront pas scolarisés. Ces chiffres sont dramatiques et devraient tous nous encourager à lutter contre cette cruelle injustice.

Les efforts menés par le Cercle féminin des Nations Unies (CFNU) pour soutenir l'enfance démunie grâce à son Bazar annuel doivent être salués. Selon l'adage qui dit que « les petits ruisseaux font les grandes rivières », l'action du CFNU vient concrètement en aide à la cause des enfants dans le monde et je suis fière d'y être associée. Je formule mes souhaits pour que l'édition 2017 du Bazar soit encore plus fructueuse que les autres années.

Je remercie celles et ceux qui se sont engagés pour faire de cette édition du Bazar un nouveau succès et ainsi favoriser le bien-être de tant d'enfants.

Message by the UNWG President

Message de la Présidente du CFNU

Here we meet again to celebrate our most awaited event of the year, our one and only annual bazaar.

Let me at the outset, acknowledge the hard work done by guild members who volunteer their time and effort for the sake of the annual bazaar, which we hope will be a great success.

The contribution of the United Nations office in Geneva, in preparation for this bazaar, has been nothing but remarkable. We deeply thank them for that and appreciate their efforts. The participation in the annual bazaar of diplomatic missions is also highly appreciated.

Let me take this opportunity to extend my sincere thanks to all of them.

The annual bazaar is an event that provides an opportunity to all visitors to navigate through different cultures of the participating countries. The objective of this philanthropic activity is first and foremost to use the revenues of the annual bazaar in order to help underprivileged children in different parts of the world, especially in developing countries. It also aims at improving the quality of their lives, particularly in areas such as health and education.

Since Guild started holding such welfare events, many projects have been implemented and the lives of many children have changed to the better.

Today, I can confidently say to the volunteering ladies that, you make the change by exerting much of your time and effort most graciously for this noble cause.

Finally, I would like to thank Mr. Michael Moller, director general of the United Nations Office in Geneva, their excellencies the Ambassadors, the dignitaries and diplomats for their continuous support. I should also like to thank all Guild members and volunteers for their invaluable efforts. Also thanks to all participants, whose participation always enriches our philanthropic experience and leads to the success that we proudly witness every bazaar.

Message de la Présidente du Bazar

Message by the Bazaar Chairwoman

I feel honored to have been entrusted this year with the chairmanship of the Bazaar committee 2017 of the United Nations Women Guild in Geneva. It is such a great pleasure and honor as nobody can miss how much this guild is passionate and whole-heartedly dedicated to its mission.

As an Omani, I grew up in a culture of respect and tolerance so I could only feel attracted to the founding principles of the Guild, those of supporting universal values of multicultural diversity, solidarity, and above all mutual respect and tolerance between different cultures.

Seeing the warm and passionate commitment of women of all over the world getting and working together around philanthropic activities could only motivate me to join this wonderful circle of bright feminine energies.

With the Bazaar 2017 and as every year, the Guild invites all the countries to join their efforts to collect funds for charity programs with the aim to cover development programs for needy children in different parts of the world. How wonderful it is to see on that day people from all over the world, from different lands, different cultures and backgrounds, different ages...all getting together to offer help in financing the projects through a simple gesture of discovering a different cuisine or get a souvenir from one of the country stands' or buying a lottery ticket...this wonderful day reminds us how much it is true that «many small streams make one big river»... So, thank you all for making the rivers getting together that day to join our tide of unity and love around our children ... around our future!

Thank you ladies for your wonderful work and for contributing in making not only the bazaar a wonderful event but to make this guild a landmark of what our world should be at all levels: «an open welcoming space to all cultures, a place of sharing and above all a place of mutual respect and tolerance where the differences are there to create a space of complementarity and creativity»

Wishing you a stunning Bazaar 2017!

Message de la Présidente de la loterie

Message by the Lottery Chairwoman

First and foremost, I would like to express my gratitude to Mr. Michael Möller, the Director-General of the United Nations Office at Geneva and Mr. Clemens Adams Director of Administration, UNOG for exceptionally allowing the United Nations Women's Guild (UNWG) to show the first prize, the brand new Honda Jazz Trend on the United Nations site.

Secondly, I would like to thank H.E. Ambassador Valentin Zellweger and the Permanent Mission of Switzerland for their very generous contribution to the lottery.

Thirdly, I would like to thank Honda Automobiles Genève for donating our star prize, the brand new Honda Jazz Trend.

And a special thank you to Mr. Roberto Azevêdo the Director General of the World Trade Organization (WTO), who has generously allowed us to have the Bazaar brochure printed in WTO since 2013.

Over the years, the Lottery has become the high light of the International Bazaar.

Last year, with the help of our supporters, the Lottery raised 100 000 CHF. Each ticket sold offers a chance to win one of the fabulous 200 prizes donated by the business community and dedicated individuals.

It is with pleasure and pride that the UNWG presents the names and /or logos of this year's generous donors.

Our thanks to more than 130 corporations, missions and private donors for honoring the UNWG by donating prizes to our Lottery and improving the lives of thousands of deprived children in the world.

Finally, on a personal note, my heartfelt thanks to the Lottery team and to all the UNWG volunteers.

Message de la Vice- présidente (Activités)

Message by the Vice President (Activities)

I have been serving the Guild for more than a year as Vice-President in charge of activities. It is very rewarding to be part of the Guild's committee. You can be sure that the Guild is doing its utmost to empower all its members and help them integrate in this International surrounding in the city of Geneva.

Through our different activities we help members share their knowledge, their culture and their different experience acquired in so many different parts of the world. Thanks to our activities in the Guild we contribute to making the world a better place. The different events we organise give us the platform to raise funds in order to carry out development projects that support children and particularly girls' education.

I would like to take this opportunity to thank all volunteer members who dedicate their time and who take responsibilities in managing the different activities of our Guild. In addition, I would like to express my warm appreciation to the Permanent Missions in Geneva who participate in the bazaar.

Your comments are always welcome and I encourage you to suggest new ideas, thus helping to promote the dynamism of our activities. Let's continue to work together to meet our Guild's objectives.

Thank You

Children's Walk 2017

The first edition of the Children's Walk was held in 2002. The Walk helps achieve one of the key goals of the UNWG, that of helping children in need around the world. The aim is to:

(1) bring awareness to the school children in Geneva participating in the Walk, that there are children not so fortunate like them in receiving education and

(2) instill in children who have everything the value of sharing with and giving to those who are not so fortunate.

The Walk is also an educational opportunity for the children to get to know the UN, its aims and programs, since the Walk takes place in the Palais grounds.

The Children's Walk has evolved into one of the highlights of the UNWG activities. About 950 children from different schools in and around Geneva participated this year. 418 children in 20 countries have received scholarships enabling them to complete their secondary education.

A PowerPoint presentation prepared by our team member Karen Rowland, and shown for the first time in 2015, explaining the role of the Guild in processing and distributing the Walk funds. Catherine d'Arcangues, Vice-President/Projects, deals with all matters relating to these scholarships.

Friday 29 September 2017, clear sky, bright lovely day have contributed to boost the children's enthusiasm thus making it a joyful event.

The Guild wishes to thank the following schools, their children and staff for their participation this year:

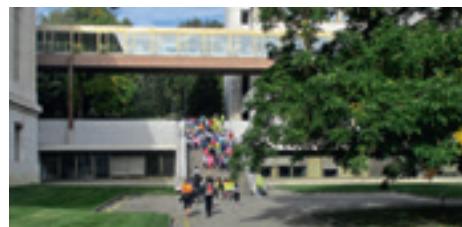

British School of Geneva,
College du Léman,
Geneva English School,
Institut Flormont,
International School Geneva/Pregny,
International School Geneva/La Chataigneraie,
International School Geneva/Nations,
Deux Mille Feuilles,
Deutsche Schule Genf.

Every year the Guild receives special help from UNOG to organize the Walk.

Our very special thanks go to the Director General for inaugurating the Walk and we thank other UN staff for their wholehearted and timely support.

The guild also wishes to thank the organizing team headed by Hema Servansing and Diane Boustany, the donors and all the Guild members who volunteer for the different tasks.

Message by the Vice President (Projects)

Message de la Vice Présidente (Projets)

Un engagement important du Cercle féminin des Nations Unies est d'exprimer sa solidarité avec les enfants et leurs mères qui vivent dans des conditions plus difficiles dans diverses parties du monde. Ainsi, en 2016, le Cercle a pu toucher les vies de 7300 enfants défavorisés dans 36 pays en soutenant des projets de santé, d'éducation ou de sécurité. Le financement de ces projets est possible grâce aux efforts de levée de fonds des membres du CFNU, combinés aux dons généreux de ses partenaires. Le Bazar est de loin l'expression la plus vive de cette collaboration et nous tenons ici à remercier très chaleureusement les missions permanentes et les nombreux donateurs qui contribuent ainsi au succès de cet évènement chaque année.

Le Cercle féminin des Nations Unies accompagne aussi des enfants dans leur scolarité en leur offrant des bourses pour poursuivre leurs études dans le cycle secondaire. Les fonds nécessaires sont levés par d'autres enfants, ceux des écoles des cantons de Genève et de Vaud participant à la Marche des Enfants chaque année. En 2016, 100 enfants ont bénéficié de ce soutien dans 5 pays.

Fondation Middle East Children's Institute International (MECI) provides programs for children's education and women's empowerment in Jordan and the West Bank. The project funds will support arts, sports and environment clubs.

PARAGUAY

EFAES-PROMU (Escuela de Formacion de Asistentes de Empresas de Servicio) aims to transform domestic work into a true professional service by training adolescents in the fields of bakery, cookery, sewing and dressmaking. Funds will be used to purchase tools for teaching the classes, and drinking water fountains.

PERU

ACEC (Asociacion Civil de Educacion e Cultura) Ribalera offers training of young girls for work in the hospitality industry. The funds will be used to acquire items to be used in cooking classes.

Association Artesanias Tumi Mano has since 2002 been supporting poor and rural women weavers and crafts people who make items from alpaca wool. The funds will be used to buy computers at a school for the weavers, and individual spinning machines and stoves.

Asociacion Qosqo Maki : accompagnement d'enfants des rues à Cusco, Pérou. Le projet a pour objectif de faciliter l'accès des usagers de l'institution (dortoir, bibliothèque) à l'informatique : accès à la salle d'informatique, mise en place d'ateliers d'informatique. Les fonds seront utilisés pour acheter des ordinateurs, 1 imprimante, 1 disque dur, câbles de sécurité, matériel et fournitures.

Projects funded in 2016-17

PHILIPPINES

REYES 3KEL Foundation supports an elementary school for which a computer, furniture and books will be purchased.

RUSSIA

Service pédiatrique Hopital de Plavsk is the only hospital serving 7500 children, in an area seriously affected by Chernobyl. The funds will be used to provide equipment for a pediatric unit, for example, massage table, nebulizer, oxygen concentrator.

SOUTH AFRICA

Morning Star Children's Centre is a day-care facility for underprivileged children who are infected with HIV/AIDS. It provides meals, medication, activities and a job-creation program. This project aims specifically to establish an Educational Resource Center with after-school activities and IT learning opportunities and the funds will be used to purchase computer equipment and construction of a toilet.

SRI LANKA

'Sumaga' Pre-school of Meegammana Temple is a non-profit organization that helps educate the young children of the village, most of whom are from families with financial difficulties. Funds will be used for a play structure, mat slides, wooden tables and chairs, book shelves/steel cupboards, and a computer.

SUDAN

Goley Development Association is operating in the White Nile State to satisfy the urgent needs for children's education in Sudan. The project aims to improve the learning environment in this school badly damaged by floods. New drinking water facilities, books and furniture will be bought.

TANZANIA

PAICODEO is a non-profit organization for pastoralists focusing on education of pastoralists and understanding how they will have to adapt to climate change. This particular project seeks to improve conditions at the school including teacher housing. Project funds will go to renovation and 400 text books and exercise books and chairs for the teachers.

TUNISIA

Association La voix de l'enfant Kairouan supports abandoned children and single mothers. This project focuses on providing for the babies and purchases will be made of 10 cots, household appliances, and staff training, also in the area of "Rights of the Child".

UGANDA

Kyoga Foundation-Pearlcrest Training Centre - provides training courses for girls (15-18) and young mothers, specifically for hospitality industry. As many students cannot pay school fees, aim of project is to grow food to be used in the classes and to sell, so that scholarships can be granted and to make the organisation more self-sufficient. The funds will be used for a greenhouse with irrigation tank and shade net.

URUGUAY

Asociacion Cruz del Sur - a project of Hagar Paulina Luisa provides accommodation and emotional support for up to 25 vulnerable/abandoned teenagers and ensures access to education. The project is to improve housing conditions - repair doors, windows, replace old mattresses and to provide A/C and heating.

ZIMBABWE

Belwood early childhood development centre aims to provide early childhood development to disadvantaged children, preparing them for entering school. It also provides full daycare and offers hot meals. The funds will be spent on acquiring computer equipment, tables, mattresses and a steel 4-drawer cabinet.
