Director-General of the United Nations Office at Geneva

United Nations Women's Guild Bazaar 2021 "Equal rights, equal opportunities and equal responsibilities for all"

The global crisis sparked by the COVID-19 pandemic has been unprecedented in its scope and impact. It hit harder those in vulnerable situations, including women and children.

Women make up over 70% of the global health workforce and are more likely to be front line workers. The pandemic is also deepening pre-existing inequalities as well as increasing exponentially economic inequalities, gender-based violence and unpaid care work.

Although children are not the face of this pandemic from the health point of view, they risk being the biggest victims. An estimated one in six children - or 356 million globally - were living in extreme poverty before the pandemic began, and this is set to worsen significantly.

Women and children have long been a priority for the United Nations. Together with our partners, we have made historic progress in improving the health and well-being of women and children around the world. However, the ongoing COVID-19 crisis threatens to reverse years of progress. In this Decade of Action to deliver the Sustainable Development Goals, we need to ensure

that women and children remain at the heart of COVID-19 recovery efforts.

As Honorary President of the United Nations Women's Guild (UNWG) and a committed International Gender Champion, I firmly believe that it is only through creating equal opportunities that we can achieve our common goals. The UNWG is making a tangible contribution to the work of the United Nations, with an impressive 2,000 projects in over 100 countries for the benefit of disadvantaged women and children. I would like to warmly thank all the members of the UNWG for their exceptional dedication to this admirable cause.

This year's Bazaar theme "Equal rights, equal opportunities and equal responsibilities for all" provides us with a welcome opportunity to recommit to these shared goals. The Bazaar is an inspiring example of the value of individual engagement, where the talents and skills of all cultures can contribute to a shared objective.

Message de l'Ambassadeur Jürg Lauber

*Président d'Honneur du CFNU,
Président du Bazar 2021 et Représentant
Permanent de la Suisse auprès de l'Office
des Nations Unies et des autres organisations
internationales*

Après une absence depuis 2019, le Bazar peut à nouveau se tenir, certes dans un format plus restreint vu la situation liée au coronavirus. L'essentiel est toutefois que le CFNU soit à même de récolter les fonds nécessaires pour venir en aide à l'enfance démunie ici ou ailleurs.

Le Comité d'organisation du Bazar, que j'ai le plaisir de présider cette année, n'a négligé aucun effort -comme toujours mais encore plus en raison des délais et des restrictions en vigueur -, pour que l'édition 2021 soit réussie et que le plus grand nombre de visiteurs puisse être accueilli. J'aimerais témoigner ma reconnaissance à Madame Tatiana Valovaya, Directrice Générale de l'ONUG, qui a donné son aval au déroulement de cet événement.

L'année 2021 est particulière pour moi car elle marque mon arrivée au sein du CFNU. Je tiens à remercier son comité exécutif de m'avoir proposé la présidence d'honneur aux côtés de Madame Valovaya. J'en suis fier et honoré. C'est une grande percée, qui pourrait être jugée d'audacieuse, qu'un homme soit nommé à cette fonction honorifique et aussi qu'il la partage avec la première femme à diriger l'ONUG.

Depuis mon précédent poste à Genève comme représentant permanent adjoint de la Suisse, entre 2009 et 2011, j'admire

le travail effectué par le CFNU, en particulier l'énergie mise par ses membres et les missions permanentes à l'organisation du Bazar. Ce dernier s'inscrit aussi dans la ligne des buts poursuivis par l'ONU, en particulier celui visant à développer entre les nations des relations amicales fondées sur le respect du principe de l'entraide et du partage, ce que je ne peux bien sûr que saluer en ma qualité de chef de la Mission permanente de la Suisse.

Selon l'UNICEF, la pandémie de la Covid-19 a un impact négatif énorme sur les enfants et nous sommes confrontés à une nouvelle réalité qui s'est malheureusement dégradée pour eux. Le nombre d'enfants qui ont faim, qui vivent dans la pauvreté ou qui sont isolés ou maltraités a nettement augmenté depuis l'année dernière. Il est ainsi d'autant plus important que le CFNU puisse organiser son Bazar en 2021 pour contribuer, à sa hauteur, à améliorer le sort d'enfants dans le besoin.

Je remercie le Comité d'organisation du Bazar et tous les visiteurs, que j'espère nombreux, pour que nous vivions une belle journée de solidarité au profit des enfants du monde en entier.

Message by Niloufar Rafi-Kian Bouabid

President of the United Nations Women's Guild

The UNWG-Geneva is happy to hold its major annual fundraising event, the International Bazaar 2021!

As difficult as the Covid-19 pandemic has been throughout the world, it was fundamental for our organization to be present in its role to support children in need around the world. We innovated and we persisted. The UNWG-Geneva funded 14 projects during the height of the Covid-19 pandemic. It continued to fund the ongoing scholarships for close to 100 students in 5 countries. Thanks to the support of all our donors, we are hoping to finance even more micro-projects and continue our scholarship program. Your help and support is very much appreciated. This International Bazaar edition 2021 could not be held without the efforts of our partners.

The Permanent Missions have also been a major support. We are happy to see the participation of so many Missions that accepted to share the experience of an International Bazaar under an extremely tight schedule. We truly appreciate their participation and contribution. The UNWG-Geneva International Bazaar is the bright bridge between this international community and the local Geneva community.

There are two unwavering partners of the UNWG-Geneva without whom we could not perform our task at the required level, the UNOG and the Swiss Permanent Mission, both of which I would like to thank personally and in the name of our organization.

H.E., Tatiana Valovaya, First woman Director-General of the UNOG accepted to host this important international/local event. Thanks to her distinct mark of leadership, the UNOG opened its doors and all of her staff, ever so kindly and generously welcomed us, supported us and advised us with all the professionalism that the UNOG offers.

The Permanent Representative of the Swiss Confederation, H.E. Ambassador Yürg Lauber, also our Bazaar 2021 President, other than being our pillar, has been a guiding light and a positive force, supporting us, together with his Mission, throughout the International Bazaar preparation.

Both dignitaries are International Gender Champions and Honorary Presidents of UNWG-Geneva. We are truly blessed with their leadership and support, which give us the dynamic to shape our organization and evolve with the times. There is tremendous work ahead but with such support, there is nothing stopping us from achieving our charitable goals and contributing to the betterment of the world surrounding us. At our own modest level, we want to participate in achieving the UN SDGs and we offer an open, inclusive and welcoming platform for representatives of all countries present in our midst. Politics aside, we encourage collaboration, cooperation and solidarity and we never refrain from making new friends, regardless of what culture, political system or world region they come from.

I will finish with a wise African saying: If you want to go fast, go alone. If you want to go far, go together. I hope you will continue to walk with us!

Vice-Présidente Activités

Le Cercle Féminin des Nations Unies (CFNU) est de retour avec le traditionnel Bazar édition 2021. C'est en soi un grand défi en cette période instable, certes dans des conditions sanitaires assez contraignantes, mais nous sommes heureux de pouvoir compter sur l'appui et le soutien de nos partenaires dans cette belle aventure.

Le Bazar constitue une fenêtre pour le voyage à travers le monde qui émerveille tous ses visiteurs mais également pour nous notre principale source de collecte de fonds.

Le partenariat permanent entre le CFNU et les missions permanentes à Genève est à l'origine du succès du Bazar. Lors de cet événement, tous les pays participants présentent leurs richesses culturelles à la communauté internationale et genevoise.

Les recettes des ventes de tous les stands ainsi que de la loterie sont allouées au financement de projets en faveur d'enfants défavorisés dans les pays en développement. Une action symbolique mais néanmoins importante et concrète pour ceux qui en bénéficient et qui améliore considérablement leurs conditions de vie.

C'est pour moi un honneur et un privilège de participer à ce grand projet avec une si noble cause aux côtés de femmes et d'hommes compétents et généreux. A cet égard, je tiens à remercier les membres des missions permanentes, nos partenaires de l'Office des Nations Unies à Genève, la ville de Genève ainsi que tous ceux qui

interviennent de près ou de loin dans l'organisation de cet événement.

Le grand poète et auteur arabe Khalil Gibran disait : *"Vous donnez peu lorsque vous donnez de vos biens. C'est lorsque vous donnez de vous-même que vous donnez vraiment."*

En tant que Vice-présidente Activités, j'aimerais profiter de cette occasion pour remercier tous les membres bénévoles du CFNU qui consacrent leur temps et leur énergie à l'animation et l'organisation des différentes activités du Cercle. A travers leur engagement, nous avons pu constituer à travers les années une plate-forme de partage de connaissances, de cultures et d'expériences. Nos membres sont toujours prêts à aider les nouveaux diplomates arrivants à Genève à se sentir membres d'une communauté plus large avec pour principal objectif de favoriser l'amitié et la compréhension entre les différentes parties du monde.

Le Bazar annuel constitue également pour nos membres bénévoles une occasion de montrer toutes leurs compétences et créations artistiques et de faire encore une fois don de leur temps et énergie pour la décoration des locaux du Bazar et l'animation des différents stands du Cercle. Je tiens à les remercier de tous leurs efforts.

La main dans la main, nous réussirons tous ensemble.

Bon Bazar à tous!

Vice President Projects

"No kind action ever stops with itself. One kind action leads to another. Good example is followed. A single act of kindness throws out roots in all directions, and the roots spring up and make new trees."

Amelia Earhart

The support of vulnerable children and women who live in difficult conditions in various parts of the world is a central commitment of the United Nations Women's Guild (UNWG). It does this by financing microprojects and by offering multi-year scholarships.

The Covid pandemic has caused considerable disruption to our ongoing efforts to raise funds. Notwithstanding this, charities like ours have proved, time and again, their resilience by adapting and innovating in different ways.

The UNWG persisted in its efforts and offered its members and wider community new fundraising initiatives with which we were able to continue to support some of the most vulnerable. In this respect, we are extremely pleased that the UNWG succeeded in supporting underprivileged children, their mothers and their wider communities in 12 countries around the globe by supporting micro projects focusing on providing for basic needs, health, safety and education. Financing these projects was possible through the combined fundraising efforts of UNWG members, the wider philanthropic community and generous donations from the UNWG partners.

The UNWG International Bazaar is by far the most significant expression of multi donor collaboration and we are extremely grateful that after a one year hiatus we are able to hold this international event which will provide us with much needed funds to continue supporting children and women in need. We wish to thank very warmly the United Nations office in Geneva, the Permanent Missions involved in the Bazaar and many donors who contributed to the success of this event.

UNWG also accompanies children in their education by providing multi-year scholarships for the secondary school students. Funds are raised through the Children's Walk activity involving school children and their dedicated teachers from international schools from cantons of Geneva and Vaud. Currently the UNWG is supporting four multi-year scholarship programs where over 70 students are provided with funds towards school fees, school uniforms, textbooks and food. In addition to raising funds, the Children's Walk also seeks to increase awareness and to promote the culture of solidarity among children living in Switzerland to the plight of other children around the world who may not enjoy the same educational opportunities and face other challenges such as access to clean water and sanitation.

I invite you to enjoy the International Bazaar and join us in this worthy cause by making your contribution. We should never forget that "children are one third of our population and all of our future."

Thank you.

President of the Lottery

Welcome to the 2021 edition of the United Nations Women's Guild Bazaar. In 2020, we sadly had to cancel the event; this year we have a scaled-down version; next year let's hope things will be back to normal (or to a "new normal").

I would like to take this opportunity to thank all those who have made the Bazaar and Lottery a reality today: the Permanent Mission of Switzerland for its generous contribution through local donors, Mission donors, private sector donors, and all Guild members, of course, for their time and commitment.

A full list of donors and their logos is published in this booklet.

This year's Lottery has many attractive prizes – with prestigious brands, inspiring journeys, culinary delicacies, and many other treats to brighten the winter ahead.

I would like to remind you that the funds raised through the sale of lottery tickets help to finance numerous projects for underprivileged children around the world.

So, thank you too to all our visitors and supporters who have purchased tickets.

The winning ticket numbers will be published on our website: www.unwg.ch and as per our tradition we will also

contact all our winners by telephone and email.

All that remains for me to say is good luck and enjoy!

Projects 2020 – 2021

Benin

CRAPID-ONG est une organisation d'œuvres sociales et de développement centrée sur les initiatives locales et communautaires. Elle accompagne les communautés défavorisées dans la satisfaction de leurs besoins essentiels, comme l'eau potable et scolarisation des enfants. Les fonds ont été utilisés pour fournir de l'eau potable à la communauté de Karo afin de réduire la prévalence des maladies hydriques dans la population, en particulier chez les enfants et les jeunes mères.

Action Benin et Solidarité est une association béninoise à but non lucratif d'éducation populaire et de solidarité nationale. Elle ouvre pour une amélioration des conditions de vie et de travail des populations vulnérables, surtout les femmes, les artisans et les enfants déscolarisés. Les fonds ont été utilisés pour offrir une formation professionnelle aux filles qui se trouvent dans des situations difficiles et qui ne sont pas scolarisées, dans la domaine de la couture avec un accent particulier sur la santé reproductive, le SIDA et la pandémie de COVID.

Colombia

Casa Infantil Estrella De Oriente is a day care centre for children (aged 6 months to 5 years) from extremely poor backgrounds whose parents can't afford to pay for their day care and who cannot take care of them since they have to work as domestic workers or street vendors. The UNWG funded the purchase of inox tables to replace old wooden tables. The old furniture was in very bad state and the authorities indicated they would have to close down the day care centre if the tables wouldn't have been replaced.

DRC Congo

L'Institut Supérieur en Sciences infirmières (ISSI) est un établissement privé d'enseignement supérieur situé dans la commune de Mont-Ngafula à Kinshasa en RD Congo. Il a pour mission de former des infirmiers de qualité qui fournissent à la population des soins de qualité; de contribuer à la formation continue du personnel de santé, en particulier de ceux qui travaillent dans le domaine de la santé maternelle et infantile; de contribuer au développement de la profession infirmière et à la revalorisation sociale de l'infirmière en RDC. Les fonds ont été utilisés pour contribuer à la lutte contre la Covid-19 en milieu scolaire dans la commune de Mont-Ngafula et à améliorer des pratiques et conditions d'hygiène dans différentes écoles de Mont-Ngafula.

Ecuador

Fundacion a Mano Manaba is a non-profit organisation empowering girls and women through formal and informal educational programmes which strive to eradicate violence and to promote gender equality, so that this group of strong women and girls can spearhead social development in the northern coast of Ecuador. The funds were used to purchase materials and books and to partially finance training for trainers for young adults) in educational programs striving to eradicate violence, decrease teenage pregnancy, promote gender equality, female leadership and environmental awareness. The project will have a spill over effect and will be implemented later on in other local communities on the northern coast of Ecuador. All materials will be used in the community library.

India

Darjeeling Children's Trust is registered charity organisation since 2011 and focuses on the advancement of the education, well-being, living conditions and health of children in Darjeeling. The funds were used to build underground water harvesting for children's home to provide them with appropriate water supply throughout the year which will have a direct impact on their health and well-being.

Indonesia

Yayasan Abdi Pertiwi Bogor is an independent foundation that offers free education for children from impoverished backgrounds whose parents can't afford to pay for their schooling. The funds provided by the UNWG were used to purchase multimedia equipment to introduce Science and Technology to students in order to improve quality of learning in accordance with the demands of time.

Madagascar

Association des Amis des Familles et Ecoles a Madagascar accompanies disadvantaged families to give children a chance to access to schools and supports them to continue schooling. The association also takes care of medical expenses for families that cannot afford to pay for them. The funds were used towards covering expenses for medical and dental check ups of children and to provide nutritious food for school breakfasts.

Mauritius

Shelter for Women and Children in Distress Trust Fund is a grassroots, non-profit organisation for battered women and abandoned children. Organisation provides safe and nurturing environment where women and children can obtain support and services they need in order to achieve self-sufficiency. Funds from the UNWG were used to purchase electrical appliances for the shelter to better store the food, to ensure cleanliness and to provide better services to the inhabitants of the shelter.

Morocco

Association Espoir Trait d'Union est une association à but non lucratif. Elle vise à promouvoir la culture de la réconciliation, cohésion sociale et paix. Elle collabore avec NGOs et les autorités compétentes pour participer à la réalisation des objectifs du développement durable. Les fonds du CFNU ont été utilisés pour entreprendre des opérations de forage de puits dans des zones rurales éloignées des agglomérations urbaines, afin que les jeunes mères et/ou les enfants puissent se concentrer sur la prise en charge de la famille et de la scolarité et ne soient pas utilisés pour chercher de l'eau.

TIMIDI Association for Development and Cooperation is a non-profit organisation in rural area of Tamsghat focusing on improving situation of children, women and people with disabilities by contributing to the economic, social and cultural development of the inhabitants. The funds from the UNWG were used to purchase sewing machines and materials to teach young women embroidery and sewing and to help them earn money for themselves.

Pakistan

World One Country Association is a non-profit organisation focusing on creating Montessori education centres for young children and creating opportunities for young women and mothers to learn new vocational skills - sewing. The funds from the UNWG were used to finance training for teachers in Montessori teaching methods, who in turn will teach children between 3 and 6 years in Montessori techniques.

Sierra Leone

Education pour Tous is non-profit organisation aiming at improving the education opportunities for children and young women in isolated communities of Sierra Leone as well as improving the quality of teaching in those communities. The funds were used to organise training courses in literacy, basic hygiene and family planning.

Uganda

CALI Foundation is an NGO focusing primarily on empowering vulnerable women and girls by offering diverse educational programs aimed at preparing them to live to their full potential. The foundation empowers women with vocational skills such as tailoring, catering, economic empowering programmes, etc. Funds from UNWG were used to purchase materials to improve the nutritional diet and overall health of students (mostly adolescent girls) and teach them cooking and farming skills by creating a school garden to grow various vegetables, herbs and fruits.
