MESSAGE FROM THE HONORARY PRESIDENT

The United Nations Office at Geneva (UNOG) and the United Nations Women's Guild (UNWG) have collaborated for over five decades to support children and promote sustainable development. Investing in a more equitable and peaceful world for children and young people has long been a core objective of the United Nations, and remains a priority ahead, as highlighted in the Pact for the Future recently adopted by UN Member States.

This year again, across our world, millions of children and young people are deprived of the opportunities they need to reach their full potential and fulfil their human rights, especially those in vulnerable situations. As Honorary President of UNWG and Director-General of UNOG, I am committed to work with you all to cultivate a culture of peace in our communities, our countries, and our world.

As our planet faces unprecedented challenges with conflicts, inequalities and discrimination increasing globally, we must continue to promote peace, dialogue, and human rights for all. Peace is not the objective of governments alone. It is a collective endeavour that requires all voices, ideas, and actions.

Every year, we proudly host the International Bazaar at the UN in Geneva. The collected funds support concrete projects, helping vulnerable children with access to essentials like food, health, shelter, and educational opportunities while raising their awareness of a culture of peace. I extend my gratitude to the many members and volunteers of the UNWG who work tirelessly to make this event possible.

Inspired by the UNWG's dedication, it is my honour to stand united for children around the world, and to work daily to promote peace and safeguard our planet for current and future generations.

MESSAGE DU PRÉSIDENT HONORAIRE

C’est un grand honneur pour moi de m’adresser à vous à l'occasion de l'édition 2024 du Bazar du Cercle féminin des Nations Unies, placée sous le thème "*Peace for Children*". Ce thème résonne de façon particulièrement forte dans le contexte mondial actuel, où tant d’enfants vivent les effets dévastateurs des conflits.

Ces enfants, souvent les plus vulnérables, sont confrontés à des réalités que nul ne devrait connaître : la perte de leur famille, la destruction de leurs écoles et la violence quotidienne. Il est de notre devoir de nous unir pour leur offrir une chance de vivre dans la dignité, d’apprendre en paix et de grandir sans peur.

Le Bazar, né de l'initiative de femmes engagées et solidaires, s'inscrit dans une tradition humanitaire et de promotion de la diversité culturelle. Il est non seulement un lieu de rencontre et de partage, mais également une formidable occasion de renforcer les liens entre la population genevoise et la communauté diplomatique, tout en œuvrant ensemble pour le bien-être des plus démunis.

Cet événement exceptionnel est une belle illustration de ce que la solidarité, le dévouement et l’engagement peuvent accomplir. Grâce à la générosité des nombreux visiteurs, le Cercle féminin des Nations Unies pourra soutenir financièrement des initiatives concrètes pour redonner espoir aux enfants et contribuer à la construction d’un avenir meilleur pour eux.

Je vous remercie de tout cœur de votre participation et de votre soutien à cette noble cause.

MESSAGE FROM THE BAZAAR CHAIRPERSON

It is of utmost importance to underscore a collective responsibility that transcends national boundaries: ensuring that every child is afforded the fundamental right to grow up in peace and security. This right is not merely an aspiration but a moral obligation that lies at the very heart of any society striving for justice and human dignity. Childhood is an invaluable and irreplaceable phase in life, a time during which the foundations of the future are established. Every child must have the opportunity to flourish in a nurturing and secure environment, where access to education, health care and protection from all forms of violence and exploitation is assured. These rights should not remain as mere aspirations, they must be translated into tangible actions.

No child should endure the devastating impacts of conflict, much less be recruited into it or be deprived of the warmth of a family and the essential opportunities for play and development. Ensuring that children experience peace, security and love is not only our duty but also a vital investment in a peaceful and prosperous future. By safeguarding the rights of children, we are laying the groundwork for a more just and harmonious world. Acting on behalf of today's children is a commitment to securing a brighter future for all of humanity. Protecting childhood means protecting our collective future and it is through the fulfilment of these commitments that we can truly transform the ideal of peace into sustainable reality.

The Permanent Mission of the Kingdom of Morocco is very proud to contribute to the United Nations Bazaar and will stay mobilised with those involved to guarantee its success permanently. The Bazaar being one of the emblematic activities of the international Geneva, aiming towards peace and happiness for children all over the world.

MESSAGE DE LA VICE-PRÉSIDENTE ACTIVITÉS

"Paix pour les enfants" est le message que nous adressons à tous ceux qui seront avec nous le 19 novembre lors de notre traditionnel Bazar international. La paix est la condition la plus importante pour l'avenir des enfants, afin qu'ils puissent développer leur potentiel, réaliser leurs droits et leurs responsabilités. Mais, pour aller au-delà du caractère déclaratif de cette assertion, il faudrait tenter d'entendre ce qu'ils pensent - les enfants et les jeunes - sur toutes les questions qui les concernent.

Mes responsabilités en tant que Vice-Présidente Activités au cours de la dernière année consistaient à lancer et à organiser de nombreux événements, non seulement à l'intention de groupes d'intérêt individuels, mais aussi de l'ensemble des membres du CFNU. Je voudrais souligner ceux qui ont été directement liés à notre slogan d'aujourd'hui : notre rencontre avec Mme Christina Kitsos, Maire de Genève, car elle a eu lieu à l'occasion de la célébration du 100e anniversaire de l'adoption de la Déclaration de Genève des droits de l'enfant, ainsi que notre Matinée Café dédiée au thème des générations - les différentes valeurs et modes de communication. Je suis heureuse que le Pacte des Nations Unies pour l'avenir, adopté lors du sommet des Nations Unies à New York en septembre dernier, ait insisté sur l'importance des droits des enfants et la responsabilité des adultes dans la construction de sociétés pacifiques, équitables et inclusives.

Je tiens à remercier toutes les dames motivées de notre Cercle, dont l'initiative et la créativité permettent d'ajouter chaque année une touche nouvelle à notre Bazar.

Je remercie également mes collègues - les épouses/partenaires des Ambassadeurs! Je vous exprime ma reconnaissance pour votre contribution aux activités du CFNU. Merci pour votre soutien précieux, pour votre présence discrète, mais décisive.

Merci à toutes et tous les bénévoles et aux personnes qui nous soutiennendront par leur présence le 19 novembre.

MESSAGE FROM THE VICE-PRESIDENT PROJECTS

In 2024, the UNWG Geneva has been fortunate enough to support 23 separate projects. These all aim to help children and women around the world, with a focus on education, physical health, mental health, sanitation, and building the future. The funds raised at the International Bazaar allow us to finance numerous specific, targeted projects each year, especially for those people in vulnerable circumstances Funds were allocated to projects in Benin, Bulgaria, Cameroun, Côte d'Ivoire, Colombia, Croatia, DR Congo, Egypt, India, Kenya, Moldova, Morocco, Peru, South Africa, Sierra Leone, Sri Lanka, Ukraine, Kenya, Dominican Republic, Uzbekistan, and Zimbabwe. Specific information about each of these can be found in this brochure.

The UNWG also provides scholarships that allow secondary school students to finish their education. Through their schools, students in difficult situations are provided money to help cover school fees, uniforms, textbooks and transportation. Funds are generated primarily through the Children's Walk, which involves primary school children and their dedicated teachers from international schools in and around Geneva.

We are hopeful that, with the funds raised in last two years, we will be able to open two more scholarships this year.

In addition to raising funds, the Children's Walk fosters awareness among schoolchildren living in Switzerland. These children learn about the struggles of people who may not enjoy the same educational opportunities that they do, and who face barriers to studying, such as access to books, clothes, clean water and sanitation.

Thank you for allowing the UNWG to support these life-changing projects.

Cathy Wolfheim
